2022 Fox Valley Leadership Team Elections

It's that time of year again! 🎵 'Tis the season to be voting 🎵 The elections for the Fox Valley Leadership Team are just around the corner. In the beginning of November, the Election Committee will be sending out an email asking for nominations as well as self-nominations for positions on the Leadership Team. The positions are Chairman, Vice-Chair, Treasurer and Secretary. If you accept a nomination or self-nominate, we will ask you to write a short bio on yourself which will be included on the ballot. So start thinking about if you're interested in throwing your proverbial hat in the ring or think you know of someone who should.

Special thanks to Kate Colberg Jones for leading our 2022 Leadership Election Committee and to Harold Rivkin for partnering with Kate!

Global Security Exchange (GSX) 2021

The GSX Conference in Orlando was a rousing success!

While the in-person portion of GSX has concluded, on-demand broadcasts of all sessions will be available to All-Access attendees through the digital platform until the end of 2021. An encore event took place on October 20th but don't worry if you missed it; another will be held on November 10th. ASIS will be rebroadcasting the top-attended sessions from GSX with the presenter available to answer questions in real-time. The sessions rebroadcasted during the October 20th encore event were:

- Mass Shooting Liability: What Every American Business Has to be Concerned With
- Using Metrics to Support the Value Proposition of an Organization's Security Operation
- Effective Presentations to the Senior Executive Team and Board of Directors

Remember, these sessions are still available on-demand with an All-Access pass. GSX 2022 will be held in Atlanta, GA.

Getting Ready for 2022!

It will be here before we know it! Your 2021 FVC LT is proactively planning the Chapter's programming for 2022. We will continue to mainly connect digitally but are planning at least two in-person special events. We will continue our focus on education with a diverse and interesting line-up consisting of keynote speakers during most of our monthly meetings and two education seminars. We are looking forward to you joining us!
